Method of Sale

The property will be offered for sale by private treaty as a whole. Offers are to be made in writing to Ian Ritchie Land Agents Ltd.

The vendors reserve the right to sell the property without setting a closing date and therefore any potential purchasers are advised to register their interest with Ian Ritchie Land Agents Ltd. The vendors reserve the right to exclude any part of the property shown or generally amend the sales particulars.

General Description

The land lies in a single field enclosure extending to 2.98 acres (1.21 hectares) or thereabouts. It is sown down to grass and has been used to graze sheep until recent times.

The land is located in unspoilt open countryside and whilst currently being used for agricultural purposes it may also be suitable for re-wilding, equestrian use or for somebody wanting their own property just to get away from it all. Access to the field is taken via a bridlepath known as Ladle Lane, with the majority of its users either on foot, horseback or mountain bike, so the land is well away from the hustle and bustle of modern life.

The stone wall to the east is to be repaired by the neighbouring farmer.

The land lies outside of the Nitrate Vulnerable Zone (NVZ) and has a guide price of £20,000.

We understand that the title of the property is freehold. The land will be sold with the benefit of vacant possession.
